Woodrose International School is a social enterprise and a private educational institution located in Mozambique.

Mozambique is a predominantly Portuguese speaking country in Southeastern part of Africa, where its strength lies on the abundance of natural resources and energy production.

Operating from North to South of the country in strategic locations of Pemba, Cabo Delgado, Nampula City, Maputo City, Matola City and Matola Rio, Woodrose is the fastest growing inclusive international school.

As a Cambridge International School, Woodrose offers classes from Pre-Primary, Primary to Secondary Education leading to international qualifications of Cambridge IGCSE (International General Certificate of Secondary Education), Advanced Level (AS) and Advanced Level (Cambridge International, 2022). Home to a diverse community of multicultural learners and teachers, Woodrose produced achiever students through the exceptional involvement of the school management leaders, skilled and trained teachers and innovative facilities. As part of 10,000 Cambridge Schools across the world, Woodrose International School (MZ031) prepares students for life, helps them to develop an informed curiosity and love for learning.

Since its founding in 2011, Woodrose International School has grown organically and externally through merging and acquisitions marking its presence in significant cities across Mozambique. In total, Woodrose International School has 5 campuses situated in four provinces in Mozambique.

Woodrose believes in the power of international education and have established partnerships with renowned universities in UAE, Canada, Malaysia, Philippines, and South Africa. The students have access to a diverse range of opportunities that broaden their perspectives and prepare them for success in the global marketplace.

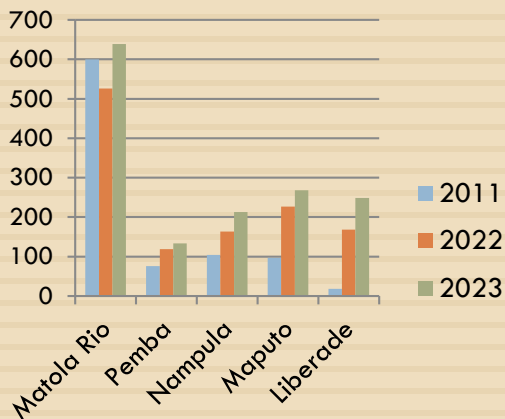

Woodrose International School is a melting pot of teachers and learners from all over the world. The institution takes pride in its diverse community offering an education that is humanistic in spirit, inclusive, globally competitive and adaptable to change. Woodrose represents a brand that speaks of academic excellence and innovativeness.

Curriculum

Woodrose, we are committed to providing quality education that prepares our students to be leaders in a global society. As a Cambridge International School, our curriculum is designed to challenge and inspire our students to excel academically and beyond. We are a proud member of the global network of Cambridge International Schools offering Cambridge education program with our allocated number **MZ031**.

To comply with the local government policy and deepen the nationalism and patriotism among Mozambican students, Portuguese, History and Geography of Mozambique are also taught in the Primary level. The International General Certificate of Secondary Education (IGCSE) can be obtained after writing and passing the examination on their 10th Grade. The school also offers A/AS level for 11th and 12th Grade
